A selection of other sports and leisure activities are available at extra cost. These sports and leisure activities can be booked and paid for in Student Services.

#### Student Comments

*"I love the school, everyone has done their best to give me the best opportunity of learning and leisure time. I've made many friends and I improved my English with the help of the staff, the teachers and all the English people who have been very nice and polite. I am very grateful - Thank you!"*  
**Ernst, Brazil**

*"I have had a great time here. The restaurant food was really good. I really enjoyed it. It was a new experience and it was enriching. The thing that I liked most is that there's a lot of people from all over the world. You meet new people and you practise your English."*  
**Amalia, Spain**
