

MORETON HALL, Inghilterra centrale

I commenti di alcuni genitori che hanno scelto il programma unico per famiglie

La nostra cliente Paola ha frequentato con il figlio di 11 anni il corso "Parent & Child" e ci ha scritto: *"Per me e mio figlio la summer school di Moreton Hall è stata una piacevolissima scoperta. Abbiamo apprezzato moltissimo la grande professionalità e la competenza degli insegnanti, e in generale di tutto lo staff della scuola... Per noi italiani, esigenti in fatto di cucina, è stata una sorpresa anche l'ottima qualità e accuratezza delle pietanze preparate dai cuochi della scuola. Mio figlio ricorderà sempre con grande affetto la sua eccellente insegnante Shari."*

We are very happy to have stayed in Moreton Hall summer school. Everything was just perfect: your friendly welcome, your daily smile, the quality of the organization, of the lessons, the food, the rooms, the place, the afternoon activities! I'm sure we'll come back next year!

I would like to thank you for your kindness and sincerity during my visit to your school. I truly am very happy and feel safe for my children which probably is the most important thing for parents. Thank you so much again and looking forward to seeing you next year.

First of all, thank you very much for assisting our family during their stay in England. It was a great experience for them, and they had an absolutely wonderful time in Moreton Hall. In fact, they are talking about going back again next summer already!

Thank you and your team! Me and my children liked Moreton Hall very much. I think our daughter improved English grammar, speaking, understanding and expanded her vocabulary in mathematics and sciences. In all questions always there was a fast reaction from school. Thank you very much for the organized excursions and leisure time for us.

I must tell you I'm so grateful for everything you've done for us and truly hope to see you all again. We really enjoyed our stay in the school and we wouldn't have enjoyed it if there weren't so many wonderful people there, so please receive my congratulations.
