

Academic summer programmes for students aged 15-17

The United Kingdom – 2019

If you're looking for a stimulating programme in the UK, and perhaps study there in the future, make sure you look at different parts of the country. KE's multi-centre programmes introduce bright and ambitious students to a range of options – as well as offering stimulating courses, presentations and activities.

Programmes run for: **three weeks** (with *three* separate, 1-week courses)
or: **two weeks** (with *two* separate, 1-week courses)

For visits and certain events across the programme, we'll ask you to choose either:

- **University focus:** university study visits, plus preparation for university entry
- **Discovery focus:** city study visits, plus a look at the film, music and art of the UK

Courses (usually the same for both 'focuses', but each has a '**major**' and a '**minor**')

Course A

Major: Language or logic. Boost your reasoning and/or language skills: choose *one* of:

- **Critical thinking**
- **Academic language skills**

Minor: Building confidence, speaking up! Whether shy or confident, you can improve...

Course B

Major: Prepare for the future! Prepare for future study (IB/A-levels & beyond) and future life: choose *one* of:

- **Study skills**
- **Research skills**
- **The challenge of the future**

Minor: Practical leadership and teamwork. Learn skills of leadership and cooperation.

Course C

Major: Specialist (academic) subject course. For a great introduction to a possible area of study in the future: choose *one* of:

- **Business and entrepreneurship**
- **Engineering and technology**
- **Law, society and international relations**
- **Medical sciences and psychology**

Minor (University focus): presentations on: **Choosing the right university; The personal statement; The interview** – with practice on the statement and two 1-1 interviews

Minor (Discovery focus): a lively look at the film, music, art and pop culture of the UK

Programmes also include:

- **Study visits** to major cities, preceded by seminars
- **Traditional afternoon tea** and **formal dinner** with a seminar on **dining & etiquette**
- Support from **student mentors** recruited from leading universities
- **News reviews and tutorials**
- **Typically British sports and activities** (with golf in Scotland)

Programmes are held on the campuses of leading universities:

CAMBRIDGE (St. Catharine's College); **DURHAM** (St. Chad's College); **ST. ANDREWS** (Wardlaw residence)

If you choose the **University focus**, you'll also visit a selection of other leading universities, for example: **King's College London; London School of Economics; University College London; Imperial College London; Sheffield; Leeds; York; Newcastle; Glasgow; Edinburgh; Aberdeen.**

If you choose the **Discovery focus**, you'll go to world-famous places such as the **British Museum, the National Gallery**, the cities of **Edinburgh** and **York**.

And you'll all also enjoy: two full days in **London** with a boat trip; from St. Andrews: visit to the **Scottish Highlands**

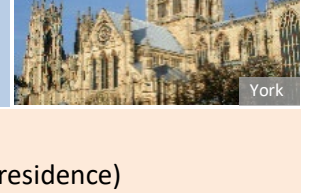

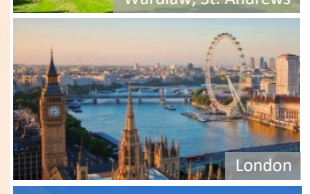

Dates: between **July 1** and **July 29, 2019** (see website for details)

Minimum English level required: **B2 (CEF); IELTS 5.5; TOEFL iBT 80; FCE**

Fees: **2-week** programmes: **£3,450**; **3-week** programme: **£4,750**

Fees include: programmes as described; accommodation; two meals daily; all transfers/travel in the UK; insurance

KE is a **non-profit organisation**, and is accredited by the **British Accreditation Council (BAC)**
