

## Academic summer programs for students aged 15-17

### USA and Canada – 2019

In the USA, KE's programs give you the chance to explore either the East (Boston and New York) or the West (San Francisco and Silicon Valley) – or a combination of these! In Canada, you focus on the great cities in the East (Montreal, Ottawa and Toronto). And all this as well as taking part in stimulating courses, seminars and activities.

**Programs** run for: **two weeks** (with *two* separate, 1-week courses)  
or: **three weeks** (with *three* separate, 1-week courses)

For visits and certain events in the USA, we'll ask you to choose either:

- **University focus:** university study visits, plus preparation for university entry
- **Discovery focus:** city study visits, plus a look at the film, music and art of the USA

**Courses** (usually the same for both 'focuses', but each has a '**major**' and a '**minor**')

#### Course A

**Major: Language or logic.** Boost your reasoning and/or language skills: choose *one* of:

- **Critical thinking** • **Preparation for ACT and SAT** • **Communication skills with TOEFL**

**Minor: Building confidence, speaking up!** Whether shy or confident, you can improve...

#### Course B

**Major: Prepare for the future!** Prepare for future study (IB/A-levels & beyond) and future life: choose *one* of: • **Study skills** • **Research skills** • **The challenge of the future**

**Minor: Practical leadership and teamwork.** Learn skills of leadership and cooperation.

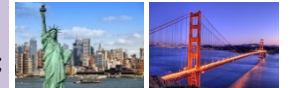

#### Course C

**Major: Specialist (academic) subject course.** For a great introduction to a possible area of study in the future: choose *one* of:

- **Business and entrepreneurship** • **Engineering and technology**
- **Law, society and international relations** • **Medical sciences and psychology**

**Minor (University focus):** presentations on: **Choosing the right university; The personal essay; The interview** – with practice on the essay and two 1-1 interviews

**Minor (Discovery focus – USA only):** a lively look at the film, music, art and pop culture of the USA

Programs are held on the campuses of leading universities:

**USA East: UNIVERSITY OF MASSACHUSETTS (UMASS), Amherst**

**USA West: SANTA CLARA UNIVERSITY**

**Canada: QUEEN'S UNIVERSITY, Kingston, Ontario**

If you choose the **University focus**, you'll also visit a selection of other leading universities, for example:

**USA East: Harvard, MIT, Brown, Yale, Columbia, Amherst College**

**USA West: Stanford, UC Berkeley, UC Davis, San Francisco**

**Canada: McGill, Concordia, Ottawa, Carleton, Toronto, York, Waterloo, McMaster**

If you choose the **Discovery focus** in the USA, you'll see more of world-famous places such as

**USA East: Boston city, Central Park in NYC**

**USA West: San Francisco**

And you'll all also enjoy: USA East: ferry trip in New York; USA West: walk across the Golden Gate Bridge; visit to one or more Silicon Valley companies; Canada: boat trip on Lake Ontario; visit to Niagara Falls

Dates: **USA:** between **July 8** and **29, 2019**; **Canada:** from **July 22** to **August 2, 2019** (see website for details)

Minimum English level required: **B2 (CEF); IELTS 5.5; TOEFL iBT 80; FCE**

Fees: **USA: 2 weeks: USD\$4,750; 3 weeks: USD\$6,950; Canada: 11 days: CAD\$3,950**

Fees include: programs as described; accommodation; two meals per day; travel and transfers (but not flights between East and West in the USA); insurance

KE is a **non-profit organization** in the USA
