

# Academic Camp Germany

Join us in Germany in a majestic castle not far from Cologne, Dusseldorf and Bonn.

Academic Camp Germany is located at **Schloss Heessen in North Rhine-Westphalia**, in the town of Hamm. Live in dorm rooms in the historical castle and enjoy all the school has to offer in its beautiful grounds next to a river on its own Island.

You can choose to study **subjects in English or German or do a combination of both**.

This programme is excellent if you are considering studying in Germany or if you want to stay in the EU this summer on an academic programme. For those students who are interested in studying at German universities, there will be opportunities during the course to find out more about this.
