Enrichment sessions

Available to all students for summer 2024!

Monday 1st July - Friday 9th August

The IH Manchester "Global Citizenship" enrichment sessions will help you to improve your global and environmental knowledge. Develop skills to help you to successfully communicate with people from different countries around the world.

1 session per week, covering topics such as:

- **Critical Thinking for the 21st Century**
- **Sustainability and the Environment**
- **Cultural awareness**
- **The Global Communicator**

• **Develop skills such as:**

• **team work** • **debate skills**

• **critical thinking and analytical skills**

• **intercultural communicative competence**

• **writing skills e.g. reports & emails**

• **presentation skills with PowerPoint**

• **compiling questionnaires and interpreting data**

The sessions will be a mixture of project work, guest speakers, classroom sessions and visits to local community projects in Manchester.

Students will be able to book to join sessions when they arrive at school. Some sessions will be free, some may have a small charge.
