Brighton & Hove Albion Foundation

Who we are

Learn English and train in the home city of Premier League football club, Brighton & Hove Albion. Brighton & Hove Albion Foundation is the official charity of Brighton & Hove Albion FC and has teamed up with Brighton Language College International to create a unique, high-quality football and English language course.

For more than 30 years Brighton & Hove Albion Foundation has been using the power of football to engage and inspire people to make good life choices and help reduce inequalities in our local communities across Sussex.

BHAFC Foundation's award-winning educational and outreach programmes improve people's wellbeing, supports learning and offers inclusive opportunities for everyone to get active and play football.

Please learn more about BHAFC Foundation [here](#).

Please also see the BHAFC Foundation visitor guidelines [here](#).

The programme

The football programme is designed around a 2-week course to help players develop essential communication skills both on and off the field in an authentic football environment. The course is available for boys and girls aged 13-17 years old.

The program focuses on a wide range of skills, drills, and tactics while the aim is to challenge the techniques essential to a player's development.

All of the activities and coaching are conducted in English in a multinational environment meaning that students will primarily communicate in English throughout their stay.

The course is a complete package with football sessions every day (Mon - Fri) which take place on the Community Pitch at the American Express Elite Football Performance Centre in Lancing and 15 hours of English classes at BLCI (BHA20) or Activities with BLCI (BHA00)

Players are exposed to BHAFC Foundation's authentic training methodologies with a focus on creating the 'complete footballer' through tactical, technical, physical sessions and workshops.

All players receive the official training kit of BHAFC Foundation and will also have the opportunity to visit the American Express Community Stadium, home of Brighton and Hove Albion FC for a VIP tour.

Football training takes place at the American Express Elite Football Performance Centre, a new state-of-the-art facility that opened in September 2021 in addition to the Y-shaped building which accommodates the club's professional and academy teams on separate wings.

The new facility houses the women's first-team, academy and staff, as well as providing a changing facility for BHAFC Foundation's community pitch.

Albion were awarded Category One status in July 2014, under the Premier League's Elite Player Performance Plan, which highlighted the club as one of the best in the country in terms of facilities, staff and opportunities for young players.

Football camp content

On football training days all students arrive at BLC International for 8:00 every morning ready for the coach departure to the American Express Elite Football Performance Centre.

The table above shows the football training content delivered by BHAFC Foundation staff each day.

Once football training has finished all students shower and change at the training centre ready to take the bus and arrive at BLC International by 12:15 to have lunch at the University of Brighton canteen.

After lunch the students join their afternoon lessons / activities depending on their course of english or activities.

Students can enrol for 1 week, 2 weeks, 3 weeks or 4 weeks.

Goalkeeping

Specific skills are covered for aspiring goalkeepers and who are taken through key elements such as :

- Goalkeepers sprint
- Side-to-side positioning
- Diving
- High balls
- Duelling
